About Us

SAMA Sports is a leading UAE-based sports company specializing in delivering comprehensive sports solutions and dynamic programs designed to engage all age groups and skill levels.

We believe every individual has a unique athletic journey, and we're here to guide that path—through expert coaching, structured development, and a clear progression toward professional excellence.

With deep expertise in sports event management, SAMA Sports creates impactful opportunities for individuals and organizations to shine. Our work goes beyond competition—we're building a stronger sports culture across the UAE by inspiring participation, nurturing talent, and empowering communities through the power of sport.

"You have to do something in your life that is honorable and not cowardly if you are to live in peace with yourself."

Larry Brown

SPORTS ACADEMY

Our Mission

is to inspire and empower young individuals by offering top-quality sports education programs that foster not only physical fitness but also mental strength and resilience. We are committed to creating a safe, supportive, and fully equipped environment where every participant can grow, learn, and thrive. Through our comprehensive training, we promote essential values such as discipline, teamwork, respect, and dedication. We aim to nurture talents and build a strong foundation that helps young people achieve their full potential both on and off the field.

Our Services

Academy **Rental** **After School Activity** **Events Management**

Our academies strive to turn amateurs into national and international professional athletes by building their stamina and teaching them perseverance, dedication and loyalty.
Booking a sports court or area for professional training or for leisure has never been easier. We offer a wide variety of courts and pitches:
basketball, volleyball, table tennis, tennis, badminton, football and swimming.
After-school activities increase engagement, sociability, and discipline. We offer after school activities for children, adolescents and young adults.
We manage small, medium and large-scale sports/regular events for individuals and corporates. After identifying your needs, we oversee the management of the whole project, from planning at the start to running the event on the day.

sama
